

“ Clone Wanko” measurement sheet (Request form)

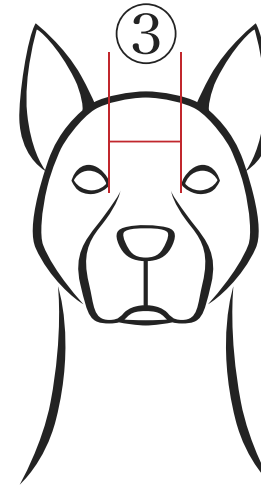

* Please measure and write the linear distances of 1-3. Please use the necessary data form in the request page.

From toe to head top (cm)

Shoulder width (cm)

Distance between the corners of eyes (cm)

In case that the source wanko is still alive, please provide its measurement.

Then it is possible to reconstruct it fairly precisely.

In case that the source wanko is dead, please provide even sketchy information about its size.

The fidelity of reconstruction will be lower,

but it will be reconstructed as precisely as possible based on the information provided.
